Beautiful sites on desktop or mobile | \$19.99/month

The image shows a silver laptop and a white smartphone. Both devices are displaying a custom website for a user named 'Jane Doe'. The website has a clean, modern design with a light gray background. At the top, there's a navigation bar with links for 'APPLY NOW', 'ABOUT', 'MORTGAGE CALCULATORS', 'NEWS', 'MORTGAGES', and 'CONTACT'. Below the navigation, there's a large, smiling portrait of a woman with long brown hair. To the left of the portrait, the text 'Welcome to Jane Doe' is displayed, followed by a subtext: 'A company that acts in your best interests to ensure you get the home you want.' Below this, there are three call-to-action boxes: 'APPLY NOW' (blue button), 'Calculators' (with a subtext about financial goals and lifestyle needs, and 'READ MORE' link), 'About Me' (with a subtext about better planning and needs, and 'READ MORE' link), and 'Other Products' (with a subtext about understanding financial goals and needs, and 'READ MORE' link). The laptop is positioned in the foreground, angled slightly, while the smartphone is to its right, also angled.
